Miona Lake Golf Club Rules & By Laws

The goal of the Staff & Management at Miona Lake Golf Club is to provide a relaxing and enjoyable experience for our members and guests. We intend to maintain the course and its amenities at the highest level possible. In order to achieve this goal, it is necessary to impose rules and regulations. These rules and regulations are not meant to restrict your enjoyment of the Club, but rather they have been established to insure your safety, and the proper maintenance of the course. Your cooperation in these matters and your thoughtfulness will make the experience of golfing at Miona Lake Golf Club more enjoyable and will assure that the condition of our course is tops!

Memberships

Memberships are for one year period beginning Jan. 1st thru Dec. 31st.

Memberships purchased midyear will be prorated. Midyear Memberships will be extended only with agreement to purchase full year membership the following year. Annual Memberships dues and trail fees are due quarterly and invoices will be mailed out. A cancellation in any quarter will prevent you from being a member for one year period. In other words, you will have to wait until the same quarter the following year before your Membership can be renewed. Six month Memberships are due in full. No golfing privileges

will be extended until fees are paid. Our doctors excuse policy will be accepted only for the Member who is sick, spouse or family related sickness or emergencies will not be accepted. Receiving doctors note we will apply a credit to your next quarterly billing, no cash refund will be given.

I understand this a yearly Membership and if I resign at any time, there is a one year waiting period before returning to Brassboys Ent. Inc. DBA/Miona Lake G.C. as a Member.

It is understood and agreed that Membership is not transferable.
